## Profile

Project-Manager-turned-Developer with a strong sense of creativity, curiosity, and drive to get things done. Experienced working across multiple teams to identify problems, gathering requirements, reaching agreements on solutions, and meeting deadlines.

## Employment History

### Project Developer, CryptoData LTD, Asuncion

AUGUST 2019 - DECEMBER 2020

Designed more efficient working processes to maximise tasks accomplishment in a shorter period of time.

Analysed the importance and time took for each task and implemented new tools to make the processes easier and more intuitive.

Reduced the time taken for closing tasks by 45% and data-gathering processes by 20%.

### Director, Join Creative LTD, Asuncion

AUGUST 2018 - DECEMBER 2019

Created an organization focused on the implementation of Neuro-Marketing studies applied to Social Media Channels.

Built a Team from scratch, settled the organization's values and objectives, and created a sales strategy for customer acquisition.

We grew to work with brands like Subaru, Tequila Patron, Vinos del Mundo, Jugos Frutare and Tupi, besides some minor collaborations.

### Chairman, Minternet LTD, Asuncion

JULY 2016 - JUNE 2018

Founded a Public-Spaces-Internet-Provider company due to the Market necessities for high-quality and low-price Internet service.

Implemented "cabin" kind of Internet machines which were located in Public Spaces accessible to anyone in a 100m range.

Offered 40Mbps for 60 minutes at a price of 12 cents, compared to the regular services provided for ~4-8Mbps\* at a monthly cost of 15€.

### Freelancer Director Assistant, National Tourism Secretary of Paraguay

JUNE 2015 - NOVEMBER 2015

Helped create the 2015 National Tourism Campaign broadcasted worldwide as an Assistant to the Director. Elaborated the storyboards, filming schedules, and was responsible for handling minor production inconveniences.

We managed to launch and deliver the campaign successfully after 3 months of filming and 2 months of post-production.
